THE IMPORTANT BITS

EMERGENCY & FIRE

Your safety is top of our priorities. Please familiarise yourself with the notice on the back of you door and take a moment to locate your nearest fire exit. This will be shown on the instructions on the back of the door.

In the unlikely event that you encounter a fire, please raise the alarm by activating one of the break glass alarm points located next to the emergency exits. If you are in your room, you may call reception on 0 to inform them, but only if it is safe to do so.

If you hear a fire alarm, leave your room immediately using the nearest accessible exit and proceed to the assembly point indicated on the diagram located on the back of your door.

- Close the door of your room
- Do not stop to collect any personal belongings
- Do not shout or run – this only causes panic
- Do not use the lift
- Do not re-enter the building until advised it is safe to do so by the fire marshal. Please study the above carefully and ensure that you know what do to in the event of an emergency.

NON-SMOKING
Peak Edge is a non-smoking hotel. Should you wish to smoke, designated smoking areas can be located outside the hotel. Unfortunately, smoking in our rooms will result in a non-refundable penalty charge of £250 to compensate for the bedroom being deep cleaned, so we'd rather you didn't.

TELEPHONE RATES
You are welcome to use the in-room phone. To contact reception, please dial (0), or to reach another room, dial (2+) followed by the room number. If you would like to make external calls, please note that charges will apply, ranging from £1 for local off-peak calls to £7.60 for international peak time calls.

RED LION RESTAURANT

The 2 AA rosette awarded Red Lion Restaurant is a relaxed space to eat and drink and tuck into seasonal dishes, freshly prepared using local produce.

At the Red Lion Restaurant, we prioritise sourcing ingredients locally and honouring the beauty of the surrounding Peak District. Our commitment to provenance and sustainability is central to our philosophy at Peak Edge Hotel.

We aim to highlight the produce sourced directly from the landscape around us, including items from our own farm, Walton Lodge.

Located less than a mile away, the 320-acre farm is home to a variety of cherished rare breed animals, including Belted Galloway cattle and Dorset lambs, all raised on-site. Our award-winning chefs collaborate closely with the farm to ensure care and consistency from farm to table.

We take pride in offering sustainable, seasonal and locally sourced produce from independent businesses throughout the Peak District. Whether you sample honey collected from our hives, fresh fruit cultivated and harvested from nearby gardens and fields, or hand-reared products from our farm, these principles are reflected in all our dishes.

If you do not have lunch or dinner plans yet, we suggest booking a table, and our team will be pleased to assist you with the arrangements.
