Walk 2 – Stone Edge Woods & Stanedge Golf Course

Circular Route

Distance 1.5 miles

Duration 0:40h

This is a lovely walk that passes through a beautiful wooded area* and down through Stanedge Golf Course with some wonderful views all around. Advisory: We recommend dogs be kept on a lead and please wear appropriate footwear as the walk can be muddy in places. Finally, be aware of flying golf balls!

1. Enter the Peak Edge Hotel car park, turn right and head to the far corner, furthest away from the road. Take the path that leads behind our neighbours.
2. Follow the grassy path to the end. Go through the arrowed gate opening to the end and turn right as per arrow.
3. This will take you onto a grass track that leads onto the A632, turn left and walk along the grass verge for about 75 yards, go straight over at the T-junction and you will see a bus stop and footpath sign on the left.
4. Enter the woods*, turn right and follow the clear trodden path round to the left, then head straight on. You will see a few crossroads, but you must keep going straight as indicated by the arrows on the trees.
5. When you come to the end of the woods, step over the stile built into the dry stone wall and onto the golf course. Here you will start to see some magnificent views.
6. Walk straight down across the golf course, taking very good care as there may be flying golf balls! As you come to the bottom you will see a stile.
7. Step over the stile and turn left, heading towards the club house. Go past the club house (which will be on your right) and follow the road straight on. There are some lovely views to your right.
8. Follow the road, bending round to the left and head down the little hill, be sure to take in the wonderful views on both sides.
9. The road will eventually lead you to Darley Road. Turn left and cross the road onto the grass verge. You will now see Peak Edge Hotel.

* **Disclaimer:** The woods are private property but you are welcome to use the footpath as described above and the map. There is a disused quarry on the land, that can be dangerous. Please be careful, we are not liable for any accidents.
